**Prepare to Change
Operating System
For L. A. Schools**

Preparations were reported being
made for the complete reorganization
of the Los Angeles city school sys-
tem in line with an announcement
made at the office of the superintend-
ent that an efficiency expert has been
working on the proposition since last
October. Some of the important
changers to be made are:

Placing the entire school system
under the sole direction of the super-
intendent of schools, dividing the
business department so that the busi-
ness manager will be relieved of a
great many unnecessary duties; es-
tablishment of the office of purchas-
ing and distribution agent and simpli-
fying the method of procedure of
business handled by the board of ed-
ucation and all departments connect-
ed therewith.

**Shoots Rattlesnake
Coiled In His Bed
Clips Off His Toe**

PORTERVILLE, Cal., July 7.—To
awake from a night of peaceful slum-
ber to find a rattlesnake, sporting
nine rattles, coiled at the foot of his
bed, apparently preparing to make a
spring at his victim, was the harrow-
ing experience of R. E. Woods. Mr.
Woods fortunately had a revolver be-
neath his pillow and shot the rattler.
Unfortunately, however, Wood's foot
was in the line of fire and the bullet
that ended the snake's life clipped off
the nail of his big toe. He was
brought to a local hospital for treat-
ment. He brought the rattler along
to back up his story.

**In and About the
Union Tool Shops**

Messrs. L.L. R. and C. A. McCol-
lum, of the National Supply Co. sales
force in the Mid-Continent Districts,
were Torrance visitors last week, en-
route to Salinas to attend the cele-
bration of their parents' 55th Wed-
ding Anniversary. The McCollum
boys purchased a completely outfitted
Ford Sedan in Torrance to present
to their folks.

Supt. George Smith has purchased
a new Chandler "Royal Dispatch." A
classy boat, say we.

Harry Double has been assigned
to Field Service work in the Califor-
nia oil fields and can be seen almost
any day stepping out in a new Stude-
baker Special Six Roadster.

Tim Bonney, Capt. Timothy Bon-
ney, has been promoted to the posi-
tion of Cost Engineer and has taken
active charge of the Cost Depart-
ment.

The U. T. Co. stable of boxers and
wrestlers is steadily increasing under
the able tutelage of Hal Blanchard.
T. H. Clark, D. A. Murphy, George
Proctor and several others.

Owing to rush of orders due to the
steady increase of development work
in the oil fields it has been neces-
sary to work overtime in several de-
partments.

With Mr. J. J. Byrnes as Chairman
of the Arrangement Committee of the
Industrial Relations Club, working
tooth and toe-nail, the concert and
Movie Show set for July 13-14 is
bound to be a success. Get your
tickets early. The proceeds are to
be spent for a piano.

UGHT TO BE HAPPY

If ignorance is bliss, most of us
should be supremely happy.

**91st Division to
Have Gala Times**

SEATTLE, July 7.—Not to remind
of the grim days of war, but rather
to make them forget the horrors of
battle, and the dreary days when
their friendships were formed, the
entertainment to be provided for the
boys of the Ninety-first Division will
be of a nature to make them remember
the happier hours of war times,
when they meet here on Aug. 19-20.

With dancing as one of the features
of the entertainment, the ex-service
men will be reminded of the days
after the armistice when the hangars
in the different areas were floored
and the villagers came down with
their fair madamoiselles, that the
Sammies might have girls to dance
with.
